

VelaLabs is an international, innovative contract laboratory offering analytical services for Biologics (ATMPs, Biopharmaceuticals, Originator products, Biosimilar Candidates / Biosimilars, Blood and blood components, Vaccines) Chemicals and Excipients from early stages of product development (non-clinical, clinical) until market release testing. The company is GMP & GLP-certified, G(C)LP-compliant as well as ISO17025 accredited and is listed at the US-FDA.

We are looking for an employee to reinforce our team: **Junior Lab Technician**

**Focus: Ligand Binding Assays (LBA)**

**Responsibilities:**

- Performance and evaluation of ligand binding assays (ELISA, SPR, ECL)
- Support method development of new procedures
- Participation in method qualification and validation
- Analytical testing according to SOPs
- Recording keeping according to GDP principles
- Writing and review of protocols / reports
- Participation in processing of deviations, CAPAs, change control, OOS investigations
- Training of other team members

**Requirements:**

- Natural scientific or technical education (e.g. HTL, B.Sc.)
- Practical experience in laboratory work, ideally in ligand binding assays, e.g. ELISA, ECL (Meso Scale Discovery), Luminex, SPR (Biacore), BLI (Octet systems)
- Communication skills in English and German, spoken and written
- Proficient with MS Office applications
- Enjoys fast-paced, diverse scientific work
- Self-organized, open-minded and positive attitude

**Bonus:**

- GMP and GCLP experience
- Data evaluation / statistics skills

**What you can expect:**

- Diverse creative environment and problem solving atmosphere with a highly motivated team.
- Flexible working time
- Parking place in front of the company.

You can expect an annual salary of €30.000 brutto and guarantee overpayment for professional experience or above-average qualifications.

We offer an interesting opportunity for a motivated positive thinking person.

Gender; age; ethnicity; sexual orientation and disability are irrelevant, we support diversity.
