

Research Associate R&D, Organic Chemistry

Technopark 1D
3430 Tulln an der Donau | Austria
phone: +43 699 19 19 10 92
e-mail: hr@valdospan.com
web: valdospan.com

Valdospan GmbH is an Austrian-based company with core competences in the field of oncology among others. Our company specializes in the research and development of innovative therapeutic products for the treatment of malignant tumors. Our aim is to develop therapeutics with the goal of establishing ourselves as a fully integrated Austrian biotech company.

To strengthen our team located at Tulln an der Donau, we are looking for a skilled and motivated

Research Associate, Organic Chemistry (40 h/week)

Responsibilities include:

- Independent and efficient execution of multi-step organic synthesis, incl. reaction setup, workup, and purification (flash chromatography).
- Contribution to the maintenance and troubleshooting of laboratory equipment.
- Strict adherence to safety protocols.
- Accurate documentation of all laboratory work in an electronic laboratory notebook.
- Interpretation and internal communication of experimental data in written and verbal formats.

Requirements:

- MSc or equivalent in a relevant field.
- Demonstrated hands-on experience in synthetic organic chemistry, including standard Schlenk/fume hood techniques and compound characterization (e.g., LCMS, HPLC, NMR).
- Proactive problem-solver who thrives in a fast-paced, dynamic startup environment and can independently prioritize tasks.
- Excellent documentation skills.
- Proficiency in written and spoken English (working language).
- Reliable team player who integrates seamlessly into the given environment.
- LCMS operational experience is highly desired.

The legal minimum monthly gross salary for a full-time position is € 2.879,- according to the "Kollektivvertrag für Angestellte und Lehrlinge in Handelsbetrieben, Beschäftigungsgruppe: F". The actual salary is based on individual qualifications and work experience. We support our employees' journey to work by providing an annual ticket for the region's public transportation network (Klimaticket Metropolregion).

Our supportive and motivated team is looking forward to your application (CV and cover letter). Please send your application to hr@valdospan.com with the reference VS-CHEM-2026-01.
