

Our Manufacturing & Supply Division is dedicated to being the most trusted supplier of biopharmaceuticals worldwide. Our facilities, along with our external contractors, suppliers, and partners, create a reliable global manufacturing network that is devoted to delivering a high-quality, reliable supply to customers and patients on time, every time.

Our site in 1210 Vienna is a strategic location for solid drug manufacturing including tablets, coated tablets, granules and implants for the health provision and treatment of livestock and domestic animals. Most of our products are exported. To ensure sustainable company growth we continually strive to offer attractive career opportunities for more than 450 employees at our Vienna site. In support of our existing team, we are currently looking for a:
